

NEW VISA APPLICATION?

Did you know that we offer a

GTE STATEMENT WRITING SERVICE

Aim: We want to help students and agents cut down on their visa application preparation process. Our aim of the program is to have a near zero visa rejection rate based on inadequate GTE statements.

Cost: FREE*

Who: For agents and applicants who would like assistance in creating a quality GTE statement to improve their chances of success.

How it works: We supply our GTE questionnaire for the applicant to complete and return to us. We will enhance it, give suggestions, or ask for more information, as required. We will then supply a draft which the applicant can use, edit, or ignore as they wish.
