

Domestic U/18 Policy and Consent Form

This document should be read in conjunction with the Policies & Procedures and Student Handbook found on the download page of our website <http://eagleacademy.com.au/downloads/>.

The Eagle Academy will only enrol younger students (u/18) under the following circumstances:

- A case by case application and the subsequent approval of the campus manager/CEO
- Parent/guardian who will take legal responsibility for all non Academic general welfare, accommodation and support arrangements, as signed off by the parent and guardian
- Student is over 14.

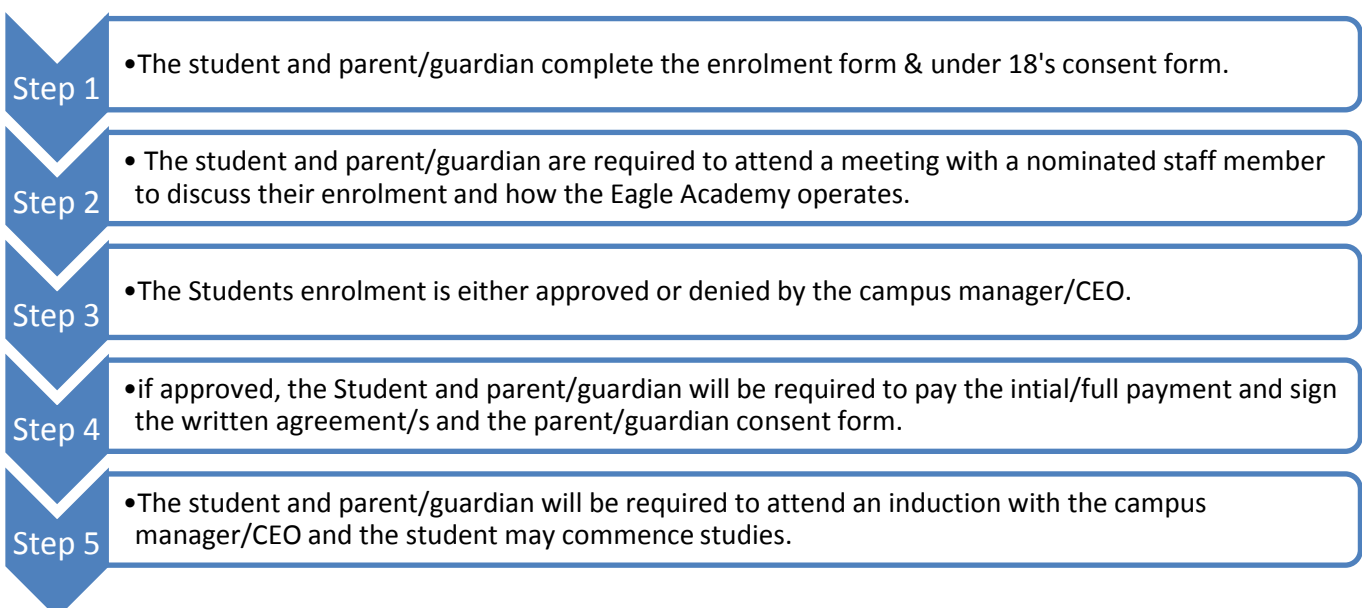

ADDITIONAL INDUCTION FOR U/18 YEAR STUDENTS

The orientation of younger students includes a meeting with the CEO (or nominated staff member), nominated guardian and the student.

The student will be taken through the induction book, policies, procedures and the student handbook, during the meeting, as well as being directed to specific areas of possible concern such as being in an adult environment for training, and who to turn to if there are any concerns or questions to ask. The student will be required to outline with the guardian the drop off and pick up times and procedures, as well as a series of “what if” scenarios such as, “What will you do if the Guardian has not shown up to pick you up”, or “what would you do if one of the adult students made an inappropriate remark to you?” to ensure that the safety of the student is protected as well as it can be in most foreseeable circumstances.

The student will personally meet the trainer responsible for the course prior to the first class and invited to ask course related questions.

It is important that the parent/guardian understands that support is available through the Academy, but out of Academic hours, we rely on the Parent/Guardian to provide a safe environment. By working together, and through effective communication between the Parent/Guardian and the Campus manager, the required support and assistance will be provided to ensure the well being and safety of the student.
